2023 Fall Festival Birthday

Party & Event Package Details and Policies

Location: All events are hosted in the field on the farm. Please enter at the garden center off York Road, upon entering you will see signs directing you toward the festival grounds. Birthday parties and ground events have reserved space under our tents.

Decoration Policy: Feel free to bring any of your own decorations for your designated party space. We recommend bringing tape to secure any decorations, as our festival ground can be breezy. To keep the farm clean, confetti and any small loose decorations are prohibited. We kindly ask ALL decorations are removed prior to leaving the festival ground.

Food Policy: Although we do offer a wide variety of food options at our Fall Festival, we highly recommend bringing your own food when hosting a birthday party or event. Unfortunately, we are not able to serve food at the volume needed to accommodate parties as well as the public. A popular food option for parties is pizza delivery. Party host is responsible to supply any paper products and utensils necessary. Alcoholic beverages are not permitted to be brought onto the farm – however we do have permitted local breweries and wineries available on select dates. We recommend using Nico's Pizza (**Address: 2291 York Road Jamison, PA. 18929** **Phone Number: 215-491-3400**) they offer delivery right to our festival grounds!

Setup/Cleanup Policy: Setup time is available 30 minutes prior to your reserved party time. We ask that your area is cleaned up in its entirety within 15 minutes of the end of your reserved party time. This allows us to have the space sanitized and ready for the next reservation.

Payment Policy: A non-refundable deposit *\$75 for half tent package \$100 full tent package* must be received to book a birthday party or event. The remaining balance for all parties or events is due the day of your party. All package changes must be confirmed one week prior to your reserved date. After this time no changes can be made, with the exception of adding additional activities if the schedule allows.

Cancellation Policy: Cancellations can be made up to two weeks prior to your reserved date. All deposits are non-refundable unless the Fall Festival grounds are closed due to inclement weather.

Inclement Weather & Rain Date Policy: In the event of inclement weather, we will do our best to accommodate your group, however if the Fall Festival is cancelled so are all scheduled birthday parties or events. Although we have expanded our reservation area, birthday parties and events are popular here at the farm. We continue to find our party areas are filling up quickly and are reserved for many of the times that we offer. We hope that you can understand how rain dates can be very difficult for us to accommodate. Should you prefer to schedule a rain date here at the farm, we can guarantee a limited number of picnic tables as an alternative area for your group. We appreciate your cooperation and understanding!
